ALERT MONTGOMERY

Be the first to know emergency information! Sign up for Alert Montgomery, an alert system administered by the Montgomery County Homeland Security Department.

Montgomery County can use the Roam Secure Alert Network to contact you during a major crisis, emergency, or severe weather event.

Alert Montgomery can deliver important emergency alerts, notifications and updates to you on all of your devices at once:

- e-mail account (work, home, other)
- cell phone
- text pager
- BlackBerry
- wireless PDA

When an incident or emergency occurs, authorized senders can notify you using Alert Montgomery. This is your personal connection to updates, instructions on where to go, what to do, or what not to do, who to contact and other important information.

While Alert Montgomery services are free of charge, your wireless carrier may charge you a fee to receive text messages. Please check on the FAQ link (left column of web link below), and your wireless service agreement, to review your carrier's pricing scheme.

Montgomery County's Homeland Security Department reserves the right to restrict at any time the usage of this alert system to Montgomery County residents and commuters.

Please log in to manage your account, or click New User to set up your account. Alerts will be sent to your registered devices there is no need to log in to receive messages.

For more information and to sign up please visit
